# Stroll with alpacas

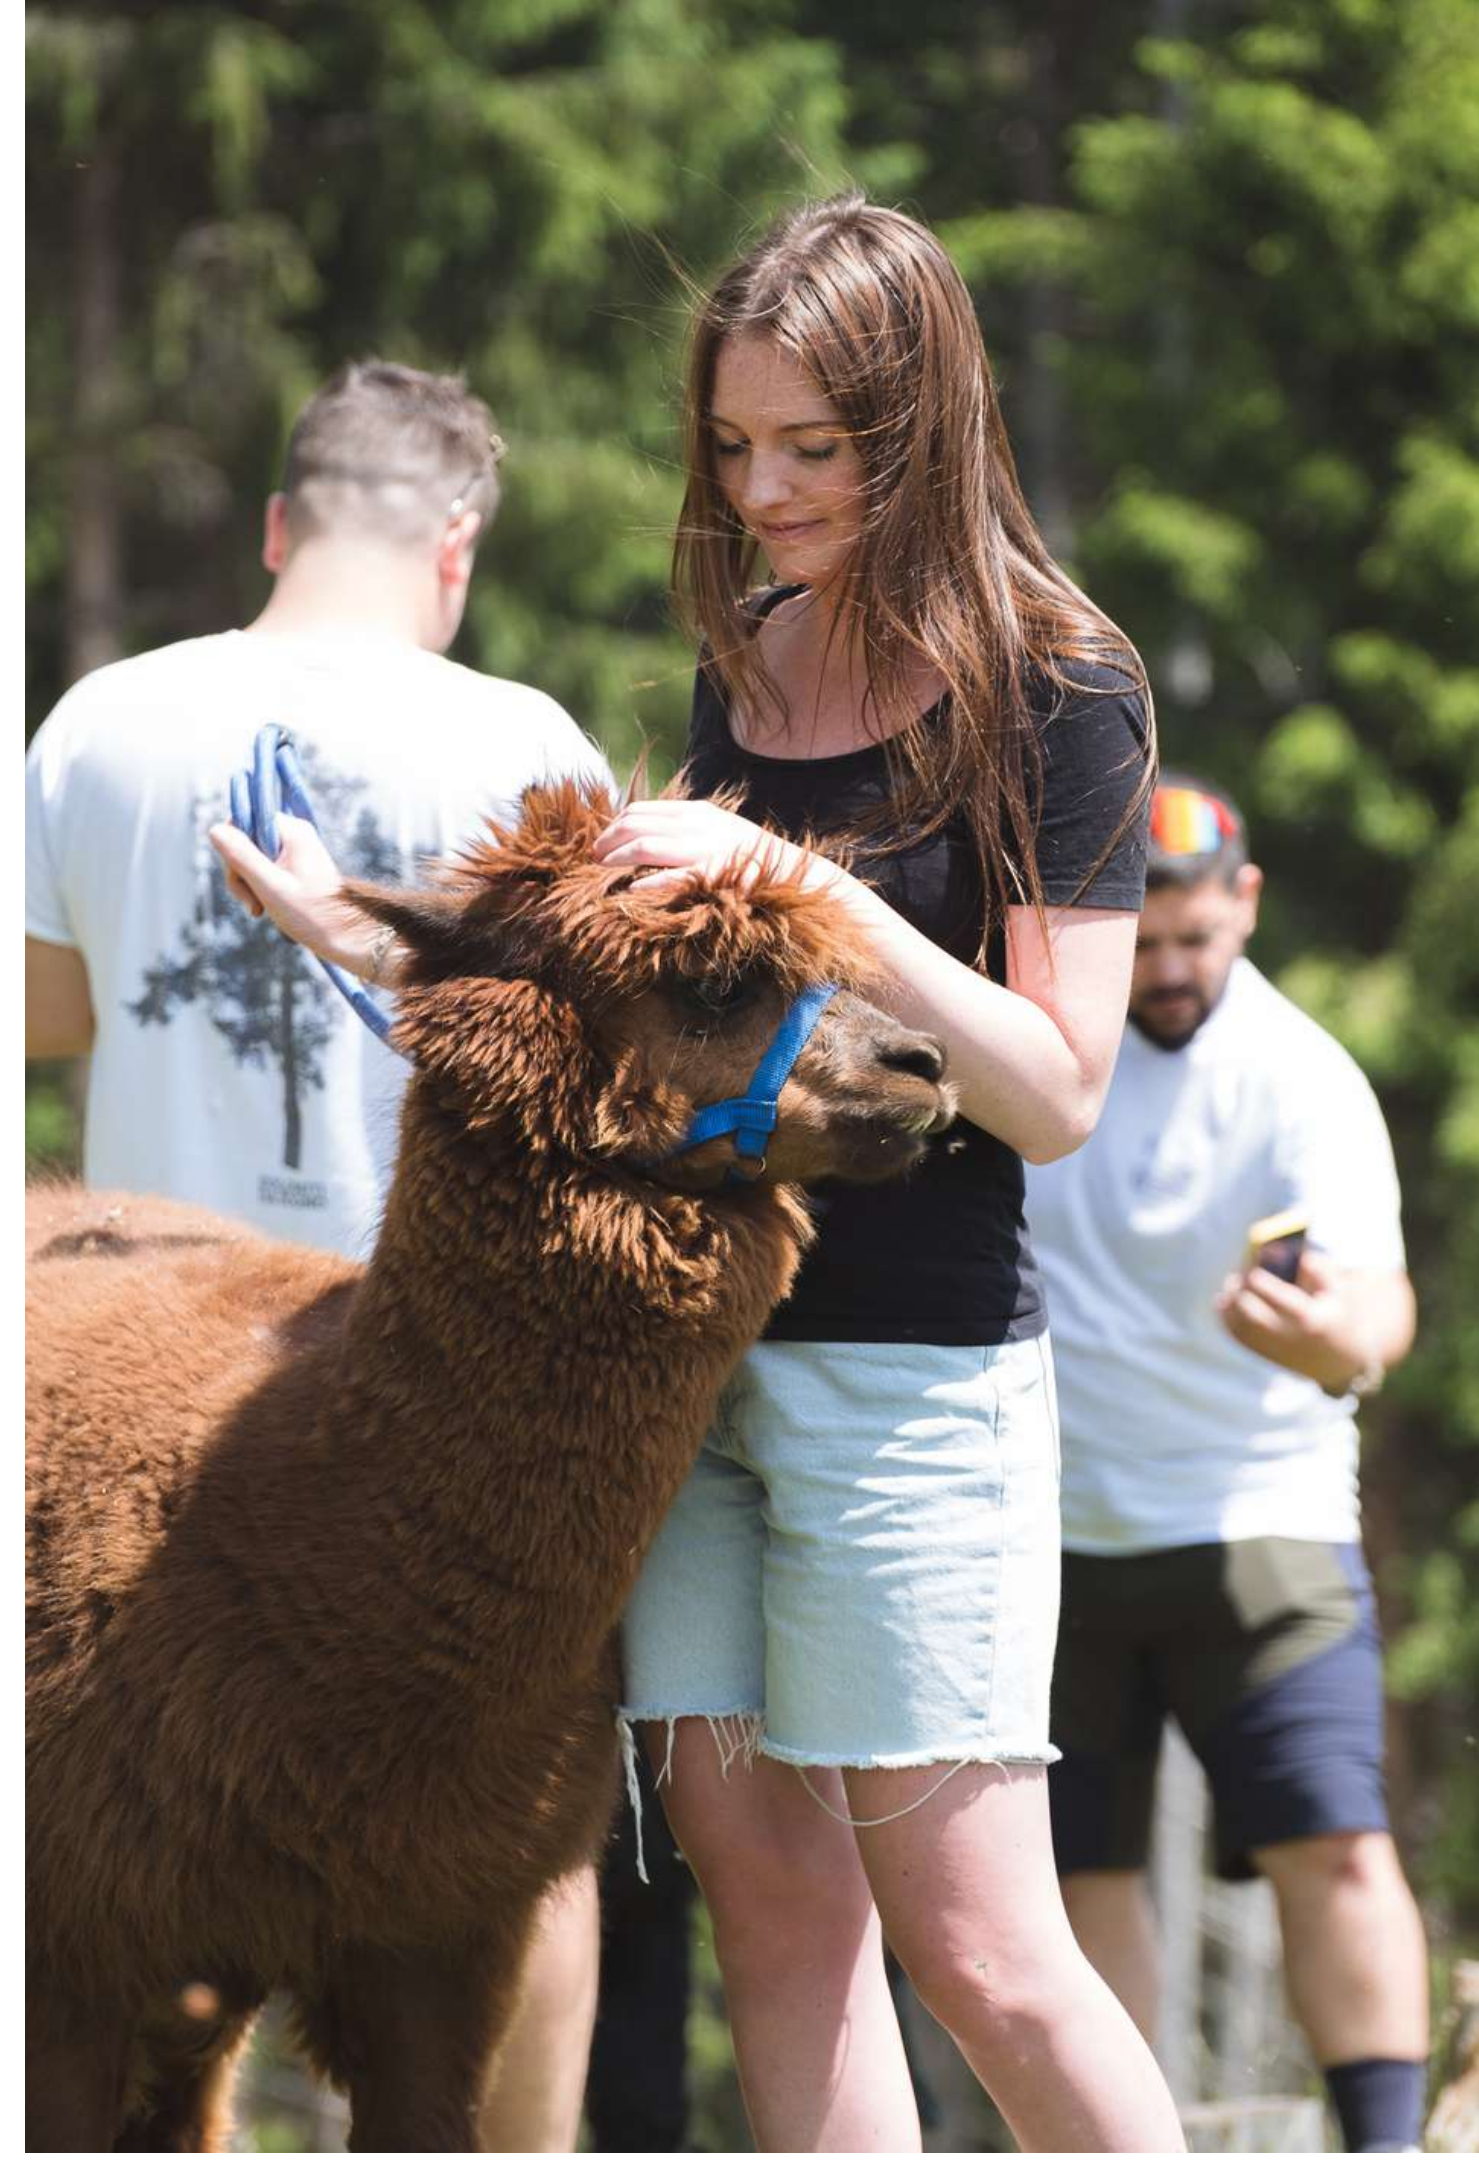

A ranch in the woods with a wildlife park and botanical trail inside welcomes guests for a unique experience. The walk starts from the meeting point with the alpacas ready to accompany guests along the trail to the Ranch. At the end of the walk there will be a guided tour of the wildlife park and botanical trail to discover medicinal and aromatic plants. A tasting of syrups produced by the family in charge of the park will end your tour.

The duration of the experience is about 3 hours. Maximum 6 participants.

It is necessary to be able to walk along dirt, sloping and uneven roads to participate in this activity.

When: May to October.

Price: starting from 45,00€ pp.

# The village of murals

The village of Cibiana welcomes guests for a step back in time. The guide takes guests on a walk through the village's hamlets to discover some of the most beautiful murals. Participants during the walk will visit the iron museum, which tells the entrepreneurial history of the key factory. Next they will drop by the museum of Reinhold Messner, the famous mountaineer. The walk will end at a farm for a tasting of local products.

The duration of the experience is about 3 hours.

When: all year round.

Price: starting from 45,00€ pp.

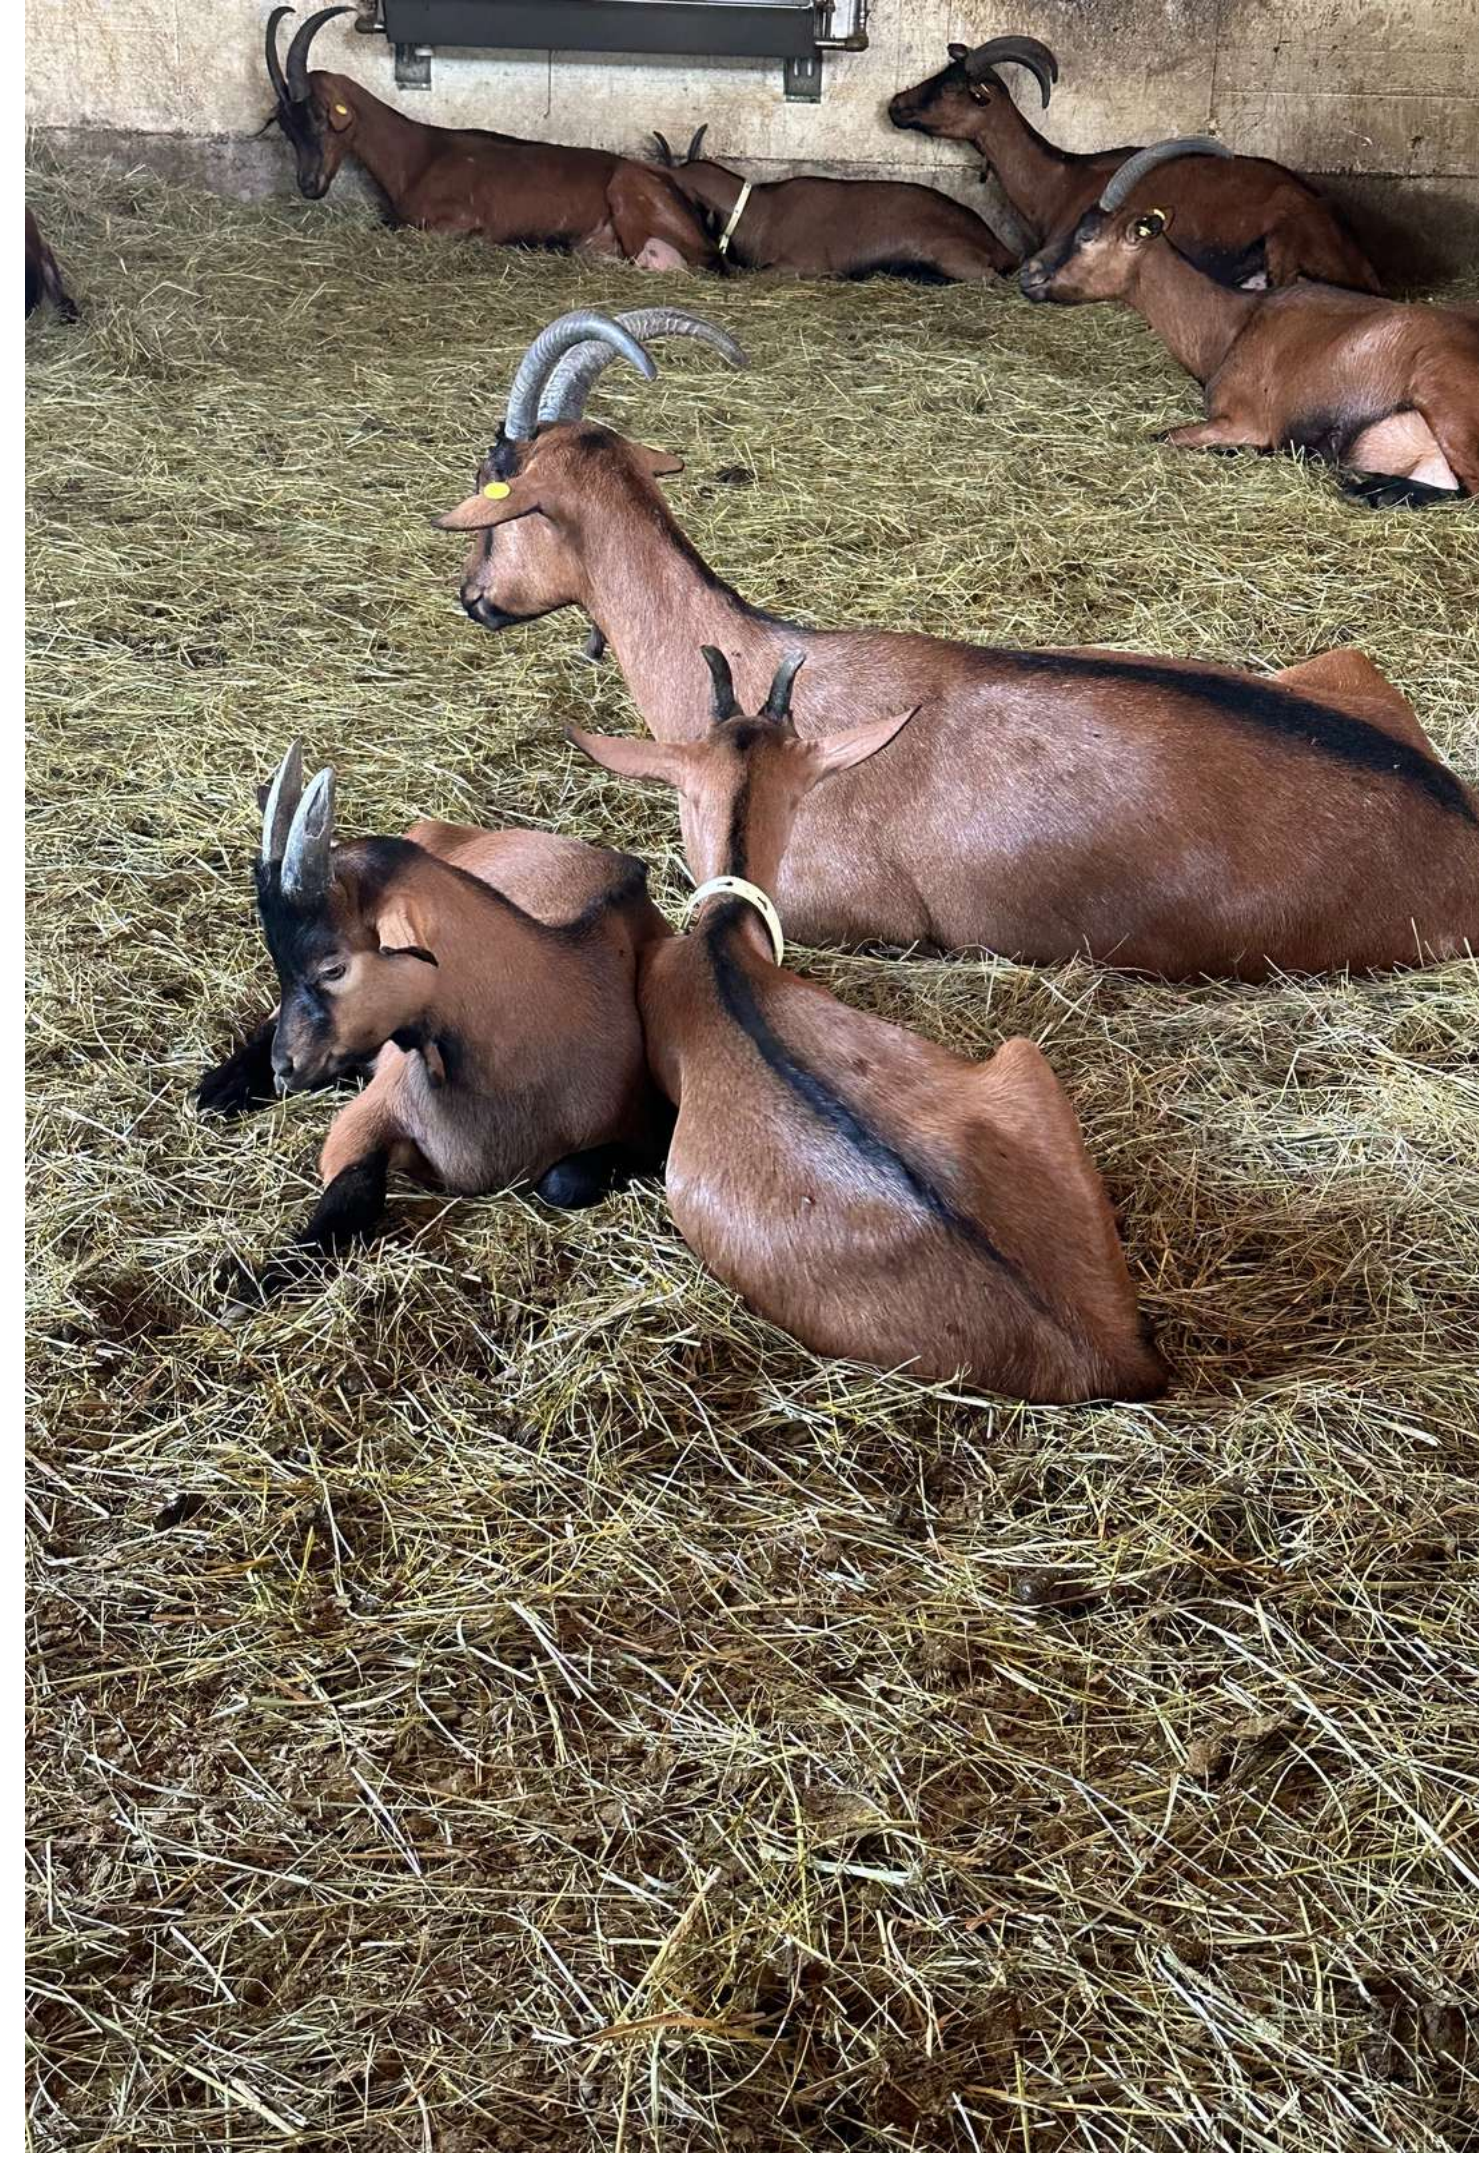

# Discovering goat's milk

Guided tour inside a farm to witness first-hand the activities carried out by the shepherd during the milking and feeding of the goats. From the meadows to the goats, from the milk to the cheese, the herdsmen will immerse participants in the typical mountain scents, accompanying guests up to the moment of tasting the finished product, to be enjoyed, at the end of the visit, with a view on Mt. Antelao and Mt. Pelmo.

The duration of the experience is about 3 hours.  
Milking takes place in the early morning or late afternoon.

When: all year round.

Price: starting from 40,00€ pp.

# Discovering mountain people

The village of Pozzale, a historic hamlet at the foot of Mount Antelao, offers to the visitor an open-air photographic exhibition for an audio-visual immersion discovering the habits of mountain people. The guided walk will end at a farm for a tasting of local products.

The duration of the experience is about 3 hours.

When: all year round.

Price: starting from 40,00€ pp.

# Walking through the Dolomites

Trekking accompanied by expert guides to discover the secret and unspoilt Dolomites. Through forests and high altitude paths, participants will reach a refuge or malga to enjoy typical local dishes with unique panoramic views.

The duration of the experience is the whole day.

When: all year round.

Price: starting from 300,00€ for the group up to 10 pax.

# The Dolomites bike path

The most beautiful cycle path in the Alps, crossing the Dolomites, for an unforgettable excursion. Participants will reach the starting point with a dedicated transport service. After having rented the bicycles, the customer will ride the famous downhill cycle path to Calalzo di Cadore. Along the way there will be various detours to visit magical places. Lunch will be at a farm with grazing animals. This excursion is very popular with families with children who, if still small, will sit in the comfortable trolley pulled by their parents.

The duration of the experience is about five hours.

When: May to October.

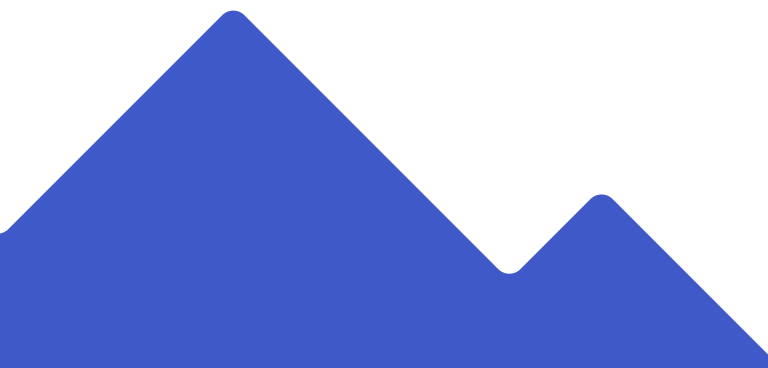

Price: starting from 160,00€ pp.

# Your cheese in the Dolomites

Participants will be welcomed into the cheesemaker's workshop where they will learn cheese-making techniques. This will be followed by a tasting of the own cheeses produced during the lesson.

The duration of the experience is 3 hours.  
When: all year round.  
Price: starting from 65,00€ pp.

# Survival course

A CSEN/CONI national survival and bushcraft instructor will guide participants for a day of discovery through survival techniques.

Focuses will be on fire, water, orientation, food and more.

Suitable for adults, young people, families and women-only groups.

Possibility of two-day intensive course with overnight stay in self-built shelter.

The duration of the experience is a full day.

When: all year round.

Price: starting from 650,00€ for the group up to 10 pax.

# E-MTB Tour

Discovering the Secret Dolomites on board an electric MTB. Accompanied by an expert guide, participants will reach a mountain hut for a lunch based on local products. On the way, the customer will cross enchanting forests and enjoy unique view points.

The duration of the experience is one day.

When: May to October.

Price: starting from 160,00€ pp.

# Sella Ronda MTB Tour

65 km of downhill trails with ascents via ski lifts. An unforgettable day with unique panoramic views for an adrenaline-pumping MTB tour.

The duration of the experience is a full day.
